It's time to renew your Arts Center membership!

"Just want to let everyone at The Arts Center know how much we enjoy and benefit from the kids' vacation week camps throughout the year. They are **our first choice** for school vacation days. The creativity, the **intellectual exploration**, the variety of hands-on projects and activities, the topics the opportunity to meet and work with other kids from different areas of the Capital Region, and the fun! The teaching staff does a good job of expanding the kids' **awareness of creative freedom**, resourcefulness, and new materials and techniques. It is much appreciated and respected. **Keep up the terrific programming!**"
